Angelina Troy, a recent addition to the Ideas International US team, assists in competitive positioning and strategy formulation for storage systems. She also supports the storage content of the Competitive Profiles and IDEAS Advantage information and analysis tools.

Angelina graduated cum laude from Rensselaer Polytechnic Institute with a BS in Physics. Prior to joining IDEAS, Angelina supported Professor Jane Koretz in the creation of a novel model of the human eye, incorporating several previously overlooked factors.

About Ideas International

Ideas International Limited (IDEAS, ASX:IDE) is the leading global supplier of comparative intelligence on enterprise IT infrastructure. Servicing both IT vendors and large-scale IT users, IDEAS products focus on: servers; storage; virtualization and consolidation; and software and infrastructure services.

IDEAS online products are backed up by expert industry analysts who can also deliver specialized advisory and consulting services.
